Our cold canapés are the perfect party pick me up — fresh, flavourful, and designed to impress. With a wide variety of options, there's truly something for everyone. Let us take the stress out of catering so you can relax and enjoy time with your guests.

Many of our platters can be prepared gluten free, vegetarian, or vegan. Just share any dietary requirements or allergens, and we'll do our best to accommodate.

All canapés are served chilled and presented on recyclable or reusable windowed platters, ready to set out and enjoy. If you're looking for a more formal display with décor, we'd be happy to provide a tailored quote.
